Job Id: **263.11-011084-1**
Certificate No: **AMT00000JS**

Approval basis

Product categories:

- welded pressure equipment of class I and II:
 - pressure vessels and heat exchangers (shell and tube heat exchangers, heaters, coolers, etc.)

Activity categories:

- production of pressure equipment (DNV GL-CP-0261)
- welding of pressure equipment (DNV GL-CP-0352)
- non-destructive testing (NDT)

Remark on further activities:

The below mentioned facilities are not available in manufacturing place and, if required, shall adhere to DNVGL-RU-SHIP-Pt.4 Ch.7 as follows:

- heat treatment to be performed at an approved heat treatment workshop as per DNVGL-CP-0351.
- manufacturing of pressed parts shall be from an approved facility as per DNVGL-CP-0350.

Surveyor may decide to visit the subcontractor as a part of AOM survey.

Remark:

Certificate Retention Survey

The AoM certificate is valid for three years with no intermediate assessment unless otherwise requested by the Society. Application for renewal should be made not later than three months before the expiry date of the certificate.

Manufacturer shall invite the Society's surveyor for renewal survey in order to revisit the critical manufacturing steps and to verify that the approved conditions are maintained.

During the survey the manufacturer shall provide evidence that the applicable versions of relevant rules, standards and approval programs are applied, and that all requirements given therein are implemented.
